This application is for a 3m² spot within the QLDC approved market site on, or adjacent to, the Arrowtown Library Green. Please discuss any preferences you have with the Market Coordinator, however we make no assurances that stall spots will stay the same from week to week (due to unforeseen factors like ground condition or other council requirements). Preference will be given to Full Season stallholders.

The Arrowtown Farmers Market sets a high standard and we recommend you present your stall as professionally as possible – we are happy to provide guidance should you require it. The majority of our vendors bring a trestle table, table covers and pergola as the basis for their stall.

TYPE OF STALL:

- Full Season Stallholder:** you intend on being present at every Sunday market during the entire season. Your heavily discounted stall rate is required to be paid in full to the AFM bank account before Wednesday 16th October 2019.

Cost: The 2019/2020 seasonal rate is 25 weeks x \$50, less 25% discount = **\$937 per season** (the equivalent of six free market days).

Full Season Vendors will be given preferential treatment for stall position.

- Casual Stall:** you are unsure of your commitment and would prefer to book your spot by the Wednesday prior to each Sunday market.

Cost: **\$50 per week** to be paid in cash on the day.

Please be aware that 'no shows' after a booking has been made may result in losing the potential for future bookings.
